**Please note:**

You must be a member of a union local affiliated to the Manitoba Federation of Labour to attend the conference.

Space is limited to only 70 women, so participants will be registered on a first-come, first-served basis. Your registration fee must accompany your registration form in order for you to register – registration forms received without payment will not be processed.

**Workshop preferences:**

Every effort will be made to ensure you are registered in a course of your choice. However, space is limited, so we ask that you identify your top two choices in the spaces provided below. All courses will run Friday – Saturday, so each participant will be registered in a single course for the full duration of the conference.

Please indicate your first and second choices for workshops by writing “1” beside your first choice and writing “2” beside your second choice.

- Workshop 1:** Member engagement, member action
- Workshop 2:** Lobbying for results
- Workshop 3:** First steps: Union basics for women
- Workshop 4:** Embracing digital culture for member engagement

**Confirmation:**

Registered participants will be sent an information package in late May confirming registration and other conference details.

**Dietary needs:**

Please note any special dietary needs you have so that we can do our best to accommodate you.
