

# Women's Conference

Manitoba Federation of Labour

**June 15-17, 2017** // UFCW Training Centre, Winnipeg

## Making your union **work for you**

The 2017 MFL Women's Conference offers union women a chance to learn and share their perspectives about issues facing working women today. The conference will help union women develop personal and leadership skills, build connections with other union sisters, and prepare to take our rightful place as leaders in the labour movement. Whether you're brand new to your union, or an experienced labour activist, this conference will engage you in the ways in which unions can make a difference for you, your family and your community.
