SAMPLE RESOLUTION:

Subject: Paid Domestic Violence Leave

Submitted by: ABC Union, Local 123

The Manitoba Federation of Labour will lobby the provincial government to establish paid domestic violence leave.

Because Manitoba's labour movement is committed to ending domestic violence in all its forms, and

Because paid employment leave will make it easier for victims of violence to take the steps needed to escape violence, without worrying about losing their job or their income, and

Because research by the Canadian Labour Congress has shown that one in every three workers has experienced domestic violence, making it a serious workplace health and safety issue .
